

This form is for customers currently living outside the UK who bought **DesignaKnit 8 Machine Standard** on or after June 1st, 2019.

| Upgrading to...             | Price<br>(no VAT) | Postage      | Total         | Tick one<br>option |
|-----------------------------|-------------------|--------------|---------------|--------------------|
| DK9 HandKnit                | £18.00            | £5.50        | £23.50        |                    |
| <b>DK9 Machine Standard</b> | <b>£28.50</b>     | <b>£5.50</b> | <b>£34.00</b> |                    |
| DK9 Machine Pro             | £86.84            | £5.50        | £92.34        |                    |
| DK9 Complete                | £120.17           | £5.50        | £125.67       |                    |

An import tariff may also apply.

In order for you to qualify for the upgrade prices, we'll need either your DesignaKnit 8 CD or a photo of it cut in half - with the licence number clearly readable. If you send a photo, it should also include your completed order form. Email it to [info@softbyte.co.uk](mailto:info@softbyte.co.uk), or send the CD and order form by post to the address at the bottom of this form. If you haven't got access to a printer, write the relevant info on a blank piece of paper instead.

Your 15 digit DesignaKnit 8 licence number  
(on the CD case and in DK8's Help / About)

It must have 8 in the second place and S in the third place, for example B8SN0-01234-56789.

Your name & address. If you include card details, use the address registered for the bank card.
